KMAT - 2023

(Karnataka Management Aptitude Test)

KARNATAKA PRIVATE POST GRADUATE COLLEGES' ASSOCIATION **Bangalore**

About us

OVERVIEW

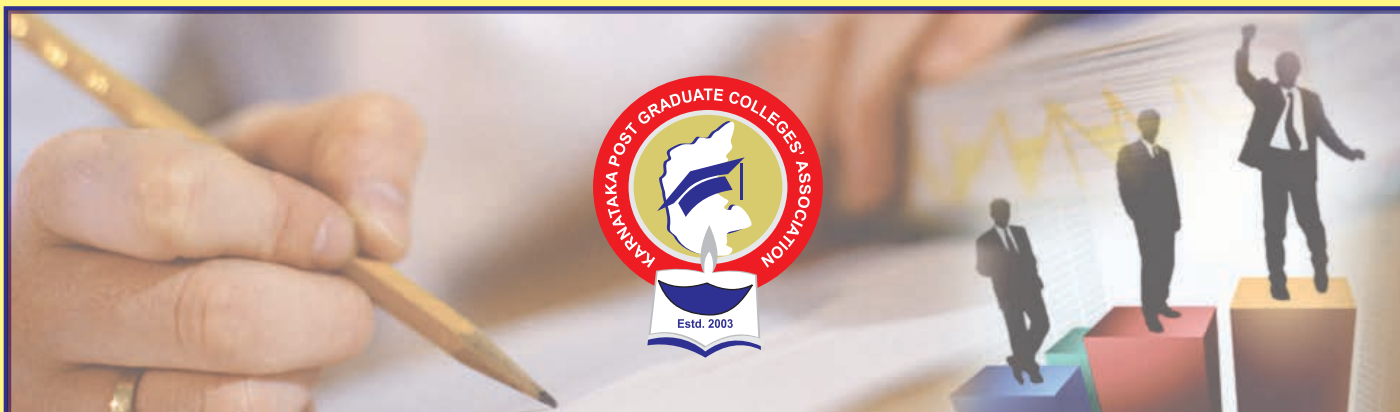

KPPGCA-established on 29th January 2003 - was born of a felt need for a professional body to provide proactive support to professional education and facilitate and streamline admission to postgraduate professional courses, viz MBA, PGDM and MCA. KPPGCA has in its fold over and approved by AICTE 189 member institutions which are affiliated to respective universities in Karnataka

KMAT 2023 During the past 14 years, KPPGCA has been orchestrating the process of admission to MBA and MCA courses to fill the management quota of seats in the member institutions by holding the "Karnataka Management Admission Test (KMAT)" conducted online remote proctored.

Besides facilitating admission to MBA and MCA courses, KPPGCA is actively spearheading a variety of academic curricular and co-curricular programmes

The association's activities include:

- Faculty development programmes and workshops
- Assistance in placement for students
- Organizing seminars, exhibitions, conferences and lectures
- Establishing Industry - Institution networking
- Publication of Journals, Books and Articles
- Organizing domestic and international Education tour.
- Conducting tests and facilitating admissions
- Consultancy and research services to Corporate and Education sectors
- Liaison with University, UGC, AICTE and Govt.
- Advisory services on courses, syllabus, research, academic administration, etc
- Organizing inter-collegiate sports, cultural and literary events
- Consulting an establishment, running and legal issues in the administration of management and computer course institutions
- Providing legal, technical and advisory services

KARNATAKA PRIVATE POST GRADUATE COLLEGES' ASSOCIATION Bangalore

Why MBA /MCA

2.1. MBA in Karnataka

An MBA program attracts applicants from various backgrounds and b-schools try their best to maintain diversity in the class. Often it is tough to really decide on why or how any candidate is better than the others.

There are over 200 colleges in Karnataka offering MBA programs. Karnataka has become the preferred region for students to pursue MBA program. Some of the reasons students chose to do there MBA in Karnataka is below. Karnataka is the manufacturing hub for some of the largest public sector industries in India, including Hindustan aeronautics Limited, National Aerospace Laboratories, Bharat Heavy Electricals Limited, Indian Telephone Industries, Bharath Earth Movers Limited and HMT (formerly Hindustan Machine Tools), which are based in Bangalore. Many of India's premier science and technology research centres, such as Indian Space Research Organization, Central Power Research Institute, Bharat electronics Limited and the Central Food Technological Research Institute, are also headquartered in Karnataka.

Mangalore Refinery and petro chemicals limited is an oil refinery located in Mangalore. since the 1980s, Karnataka has emerged as the pan-Indian leader in the field of IT (information technology). As of 2007 there were nearly 2,000 firms operating out of Karnataka. Many of them, including two of India's biggest software firms, Infosys and Wipro are also head quartered in the state.

Karnataka also leads the nation in biotechnology. It is home to India's largest bio cluster with 158 of the country's 320 biotechnology firms being based here, the state also accounts for 75% of India's floriculture, an upcoming industry which supplies flowers and ornamental plants worldwide.

Seven of India's leading banks Canara Bank Syndicate Bank, Corporation Bank, Vijaya Bank, Karnataka Bank, Vysya Bank and the State Bank of Mysore originated in this state. The coastal districts of Udupi and Dakshina Kannada have a branch for every 500 persons - the best distribution of banks in India.

As on day, Karnataka had 4767 branches of different bank with each branch serving 10,000 persons, which is lower than the national average of 16,000

KARNATAKA PRIVATE POST GRADUATE COLLEGES' ASSOCIATION Bangalore

2.2. MCA in Karnataka

Information Technology is growing rapidly. Increasing applications of computers in almost all areas of human endeavour as led to a vibrant industry with concurrent rapid change in technology. Thus, the challenge in designing a curriculum is identify the areas of core competence which is reasonably stable and provide sufficient number of electives and laboratories to accommodate changes. MCA is a two-year (4 semesters) course, The students entering MCA must have a B.C.A./B.Sc./ B.Com/B.A.degree with Mathematics as one of the subjects at 10+2 level or at graduation. Of the 4 semesters one semester is to be spent in an industry developing a software system. The MCA programme is planned to have 5 theory subjects plus two laboratories each semester. Since the 1980s, Karnataka has emerged as the pan-Indian leader in the field of IT (Information Technology). As of 2007, there were nearly 2,000 firms operating out of Karnataka. Many of them, including two of India's biggest software firms, Infosys and Wipro are also headquartered in the state. Exports from these firms exceeded 1,00,000 crores in 2022-23.

2.3. Accrediation and Approvals

Colleges offering MBA, PGDM and MCA programs in India have to verify approval status by AICTE. For list of approved colleges visit the following link. <http://www.aicte-india.org/misappmanagement.htm#>

2.4. Benefits and Value

The MBA/MCA degree is capable of transforming students and working professionals into competent managers who are responsible and capable enough to handle and sort out any problems which hamper or affect the working of their company.

MBA

Most top MBA programs cover similar subjects within their core required courses. MBA programs expose students to a variety of subjects, which students may choose to specialize in a particular area. Students traditionally study a wide breadth of courses in the program's first year, and then pursue a specialized curriculum in the second year. Full-time students typically seek an internship during the interim. Typical specializations include: accounting, economics, entrepreneurship, finance, international business, management science, marketing, management, organizational, project management, real estate, and strategy, among others.

MBA equips you to be a good and a competent manager. Every company needs a manager in order to manage resources, people, projects and funds. The pay packages offered to MBA's are much more than the ones offered to graduates.

MCA

This program provides specialization in computer science with technical, professional and communications skills. It also trains students to become future IT professionals. This programme will give the aspirants a sound understanding of basic computer applications in business covering key programming languages, data base management, systems analysis, computer

2.5. Entry Criteria

With almost 200,000 applicants every year in the race to get a place in one of the top tier business schools, the selection criteria is stiff and normally entails a national level examination, followed by an interview and group discussion. The range of exams includes CAT by IIMs, MAT by AIMA and XAT by XLRI are among the prominent ones.

KMAT exam conducted by Karnakata Private Post Graduate Colleges Association (KPPGCA) provides students access to over 169 colleges in Karnataka

Student Testimonials:

A proud student of Don Bosco Institute of Technology. In the journey with this institution for 2 years, it has taught me so much about life as a whole along with my academics and career being on focus. I'm very happy to say that this place not only focuses on the marks that we get, but also looks out for the students' well-being. I'm now working with one of the biggest Custodian banks of the US and this would have been little tough if I wasn't associated with Don Bosco. Hence, all thanks to the amazing Management and Staff who guided me through everything and extremely grateful for all the help!

Pallavi K.B. - Northern Trust, Position: Analyst (Financial Reporting)

Throughout my two years of MBA at DBIT, I had countless opportunities to develop analytical skills, leadership and proactive thinking through various programs & events. Solid experiences. These attributes were the key reasons because of which I was successfully placed as Team Leader in Amazon. Big thanks to all my faculty and friends for the amazing journey at DBIT.

Sunil Kumar.R.
Amazon, Position: Team Leader

It was a great experience to study in DBIT and making me what I am today. The college is best for providing management education with effective programs and good placements. I pursued my masters in this institution with an amazing facilities and support for both curriculum and extra curriculum activities. It was a great atmosphere. The hostel facilities were good. Special thanks to the faculties for improving our personality giving feedback at regular intervals for improvements.

Shiva Kumar H.B. - Accenture, Position: HR Services Delivery Associate

Don Bosco Institute of Technology is the milestone of education. I am proud to be a part of DBIT. It is one of the best colleges for knowledge and learning, and the college is having an amazing infrastructure. The DBIT has provided me with a number of opportunities to grow and explore my skills. The emphasis on event and sports along with education always helped me a lot. I have always found a positive and healthy environment and the teachers were highly supportive. Thank you DBIT for wonderful education and memories.

Arpitha C.R. - DXC Technology (Formerly known as HPE)
Designation: Finance associate

Don Bosco is a good college where I took my favourite course. The college has excellent infrastructure and facilities like spacious class rooms, well established library, well equipped labs, in house banking facility, playground and cafeteria which makes the campus a self-sufficient one in all aspects.

Placements: in our batch was around 90% students got good internship and secured job in the good IT companies. I am proud to talk about my college in everywhere, thank you for all the faculties of DBIT.

Pavithra D.M. - Hewlett Packard enterprise, Data analyst

About DBIT

Don Bosco Institute of Technology (DBIT) is a premier institution imparting superior quality education in professional courses since two decades. The endeavor of the institute is to bring out the best engineering talents in the country. All programs in DBIT are accredited by AICTE and affiliated to VTU.

DBIT is located in a sprawling lush green campus situated at Kumbalagodu on Bangalore - Mysore Highway. The Institute has the state-of-the-art infrastructure, spacious classrooms, fully equipped laboratories, full-fledged library, well maintained hostel, food court is certified as per the requirements of FSSAI and multipurpose playground of professional standards, etc.,

Industry interaction is an integral part of the Institution culture.

Successful Entrepreneurs, Specialists and subject matter experts from the industry and relevant filed of academics, frequently visit the campus to interact and impart knowledge to the students as well as faculty members. This provides excellent opportunity for the students and the faculty to update their awareness on the expectations of the industry and receive the latest developments in their respective areas.

A dedicated Training and Placement Cell takes care of the recruitment of eligible students. Our Institute is visited by a large number of top-notch Companies for campus selection on a regular basis. The Cell also provides career guidance and counselling to students with the key focus being the overall personality development of students to face the challenges of the corporate career environment and faster career progression.

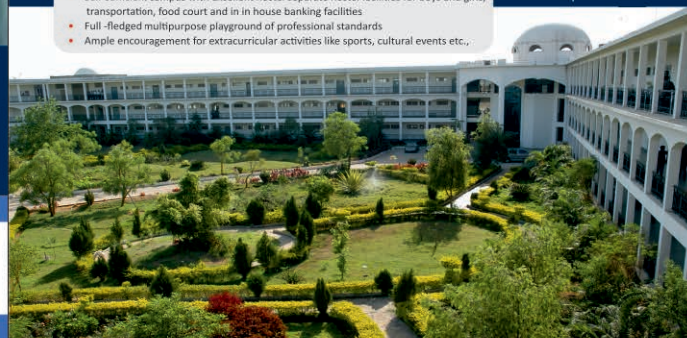

WHY DON BOSCO:

- Qualified, motivated and experienced faculty to ensure academic excellence.

MOUNT CARMEL COLLEGE

AUTONOMOUS

Mount Carmel College, Autonomous (MCC) is a premier institution for women's education in India. Established in 1948, it is run by the sisters of the CSST order. The institution has stood the test of time which is reflected in its dynamism and energy. Mount Carmel has always been the forerunner of constructive changes in academics to help generations enrich their knowledge and enhance skills to meet the challenges of a rapidly evolving world. MCC is Re-Accredited with A⁺ Grade (4th cycle) by NAAC, College with Potential for Excellence by UGC and Star College Status by DBT.

MBA Programme

Master of Business Administration (MBA), a two-year Post-Graduate Programme, affiliated to Bengaluru City University and is recognized by the All India Council for Technical Education (AICTE).

MBA@MCC

MBA Curriculum is designed with the objectives of catering to the diverse needs of the Industry by consulting experts from Academia, IT Industry and Alumni. The Programme aims at imparting knowledge and skills in grooming Women students to contribute to the Industry and society as IT Professionals.

Programme Highlights

- Industry Driven Curriculum
- State-of-the Art Curriculum
- Dual specialization
- Add on courses to keep abreast with emerging Technologies
- Project based and Activity based Learning
- Extracurricular activities for Holistic Education
- Dynamic Placement Cell

Admission Notification

Mount Carmel College, Autonomous invites applications for the 2-year full time MBA Programme for the academic year 2023 - 2024.

Eligibility

Minimum 50% marks in aggregate in the qualifying Under Graduate Examination (Degree). The candidate is also required to qualify the K-MAT or PG CET Entrance Examination.

MASTER OF COMPUTER APPLICATION (MCA)

Master of computer Application is a 2 years full time program (As per AICTE). MCA course offer an opportunity to acquire professional skills in the early stage of their career as a Programming professional.

The program is designed with the objective to fulfill the needs of industry where the students ultimately find employment and therefore has a completely different approach to learning.

ABOUT RVITM

RV Institute of Technology and Management (RVITM) established in 2019 under Rashtreeya Sikshana Samithi Trust (RSST). At RV Institute of Technology and Management (RVITM), we put great emphasis on incorporating Information and Communication Technology (ICT) in our education. All the programmes we offer are specially designed to help students gain an inch-depth understanding of the latest technologies advancement through a stimulating and engaging learning environment.

We believe that this approach gives our students an edge over their contemporaries, enabling them to conquer the real world with confidence.

PLACEMENT CELL

This universal demand is catered to by educational institutes through training and employment. The Placement Cell of RVITM, in association with the RV College of Engineering Placement Cell, has been successful in this facet of trans-forming education into employability. It holds a 75 percent placement record and has grown from strength to strength, with 200+ companies visiting the campus this year, i.e., 2022-2023. The annual emoluments offered range from Rs. 4 to Rs. 40 Lakhs, with the highest offer of Rs. 40 Lakhs.

ABB, Bosch, CISCO, Cognizant, IBM, Intel, Infosys, Mindtree, Samsung, Wipro, and many more are among the top recruiters of RVITM graduates.
